Company Profile

MediaTek Inc. is a leading semiconductor company for wireless communications and digital media solutions. With 50% revenue growth over 2006, MediaTek was ranked number seven among all fabless semiconductor companies worldwide in year 2007 . The company is a market leader and pioneer in cutting-edge SoC system solutions for wireless/cellular communications, high-definition digital TV, optical storage, and high-definition DVD/Blu-Ray products. MediaTek is well positioned to use the most innovative wireless and multimedia technology to enable the next generation of consumer electronics for mobile Internet. WiMAX SoC is one of the key products in our portfolio to enable mobile broadband. Founded in 1997 and listed on Taiwan Stock Exchange, MediaTek is headquartered in Taiwan and has sales and research subsidiaries in Mainland China, U.S. , England, Ireland, Denmark, India, Japan, Korea and Singapore.
